

## MEMORANDUM

**TO:** Michelle Reddick, Township Manager  
**FROM:** Eric Frey  
**DATE:** September 18, 2024  
**RE:** RTK Injunction matter

---

As you know, the Board of Commissioners met in executive session on potential litigation matters after the public meeting on Monday, September 16, 2024. I am writing this memo to document that there was unanimous support of the Commissioners to move forward with an injunctive action against Mr Murray concerning his often frivolous RTK requests.

In discussing this matter, we explained that Mr Murray has submitted almost 100 RTK requests and numerous appeals. To date, he has not won a single appeal and the Office of Open Records has upheld the actions of the Township. The Commissioners felt that all of the requests were simply blatant attempts at generating costs as well as utilizing the RTK process in a malicious manner to parallel Mr Murray's legal actions.

At the end of the discussion, the consensus of the unanimous board was to move forward with the injunction action. I wanted to write this memo for the file to both document that the planned injunction action was agreed to by all 5 commissioners and to state that no vote was taken in the executive session, as the injunction matter will take some time to prepare.

Thank you.

Eric
